

## **BJHS S1 Fruit Questionnaire April 2016 – quick look at the results so far**

Questionnaire to P1/2, P3/4 as a class and upper primary and secondary pupils.

### **Question 1**

Have you enjoyed fruit on a Tuesday?

Yes	No	Maybe
44	1	5

Comments

It's a good idea to get healthier, clean the apples because they are sticky, its good but could be more choice, the fruit is nice, its healthier, it could be on more days.

### **Question 2**

Would you like fruit to continue?

Yes	No	Maybe
51	2	0

Comments

I like fruit, put the bananas at the top of the bowl, have more grapes, if I don't have to cut it, maybe on another day.

### **Question 3**

Do you think we can improve it?

Yes	No	Maybe
21	6	8

Comments

No green bananas, other fruit, more bananas, more grapes(2), different fruits (5), more extreme fruits, strawberries(3) pineapple, oranges (2), watermelon, more fruit, nectarines, pomegranates, mangoes, kiwi, no kiwi, more often.

Improved routines for getting fruit to class, p1/2 good to have every day, has to be easy to prepare and distribute.

### **Question 4**

Should we have other fruit?

Yes	No	Maybe
26	5	4

Comments

Have different fruit from around the world.

Strawberries (11), Mangoes (7), Pineapples(7), Pomegranate(6), blueberries(2), berries(2), Nectarines/oranges(2), purple grapes(2), blackberries, raspberries, plums, cherries, watermelon, melon, dragon fruit, coconut, tropical, exotic.
