

Baltasound Junior High School

School Improvement Plan 2018/2019

Raising Attainment in Literacy & Numeracy

We aim to support students in improving their skills in literacy and numeracy.

To use Pupil Equity Finding to provide timely interventions to improve outcomes for students.

Health & Wellbeing

To support students in understanding their own wellbeing and work with partners to improve the mental health of our students, our parents and our staff.

Anti Bullying

We aim to make our school a safe and inclusive environment for everyone - a place we all feel valued and able to learn without barrier or obstruction.
