### SHANARRI Health & Well Being Indicators

These SHANARRI indicators are used by school to assess the overall wellbeing of a child. In each newsletter we will focus on 2 of these indicators, explaining what they mean.

A stands for ACHIEVING. This means being supported and guided in their learning; building on their skills, confidence and self esteem at school, at home and in the community.

N stands for NURTURED. This means having a nurturing place to live and having people who care about their wellbeing; in school and at home.

#### Enterprise

The S3 Enterprise class have had a busy term, designing and taking orders for 96 Unst F.C. football shirts. They have all arrived and almost all have been handed out to those who ordered. As a result, the class made a profit of over £200 which is a great achievement. They have also designed a new towel for 2017 which will be available when we come back in the New Year.
