# Shared Home Learning @ BJHS

## P1 & P2 - Term 2

Name: \_\_\_\_\_

Over the next term, we would like you and your child to select 8 tasks that you could do together at home. When completed, your child can bring in the task (photo, drawing, report, cutting, graph etc) on a Friday and we will display them together.

It is not compulsory and does not replace their regular class homework, but the students, staff and parents have selected these activities hoping you will enjoy doing them together. Try them out and have fun!
