Peerie School, Big Dreams

School Improvement Plan 2019/2020

Raising Attainment

We aim to support students in improving their skills in literacy and numeracy.

To use PEF, interventions, improved learning and teaching and using digital technology to promote and enhance learning.

Our Environment

To adapt our learning environment to allow all our students to feel nurtured, safe and valued.

To ensure our school is designed to bring out the best in our students and staff.

1140 Hours

To work with outside agencies, contractors, parents and staff in delivering an Early Years setting that provides for increased provision.

HGIOURS

To ensure the students help drive improvement in school using the guidance and activities detailed in How Good Is OUR School.
